GLENN FELDMANN DARBY & GOODLATTE

Paul Beers, our primary personal injury attorney, has many years of experience in both state and federal courts. Paul has won jury verdicts and reached monetary settlements in medical malpractice cases against hospitals and physicians involving compartment syndromes in the leg, total knee arthroplasties, intestinal infections and complications following surgery and negligent prescription of medication to a psychiatric patient. In addition, Paul has successfully litigated a wide range of cases involving injuries sustained by motorists, consumers, and employees at work.
